Steinitz, Richard: György Ligeti - Music of the Imagination. London, Faber, 2003.

Brand new, excellent coverage of life & works in chronological order.

Ligeti in conversation London, Eulenberg, 1983.

Toop, Richard: György Ligeti London, Phaidon, 1999.

One of the best of the English language studies. It's quite chatty for Toop.

Not as good as Toop but serviceable.

Conversations with Composers of our Time Aldershot, Ashgate, 2000.
